# Borton Collaborative Reflection Log

## Current Focus

Making connections, scaffolding through triangulation tool towards connection circles.

## What's Working

- Triangulation to identify connections + look at big picture
- Gathering ideas to facilitate activity from other PLCs

## Challenges

- Time involvement with children in kindergarten (too long \(\rightarrow\) active participation \(\rightarrow\) abstract concepts)

## Teacher's Next Steps

- Develop bibliography of books to use w/ this structure

## Support Needed

- Switch from old way to self + make a lobby

- Kindness \(\rightarrow\) something comes back
